

7-DAY PURIFY PROGRAM

SYNERGY

DIETARY GUIDELINES

In order to gain the full benefits of our Purify Kit, there are a few dietary guidelines that should be followed:

- Stay away from fruit juices, sports drinks, and soda. Drink plenty of water instead.
- Practice portion control during your main meals and snacks by following recommended serving sizes.
- Focus on adding leafy greens, more vegetables, and lean proteins into your daily meals. These include broccoli, asparagus, zucchini, spinach, kale, turkey, and chicken.
- Gradually eliminate sugar, processed foods, wheat (bread and pasta), rice, caffeine, and alcohol from your diet. Also, reduce starch-based vegetables such as potatoes, sweet potatoes, and sweet corn.

ELITE HEALTH IS POSSIBLE, AND A BALANCED AND PROPERLY FED MICROBIOME IS THE KEY TO ACHIEVING IT.

NOW, YOU'RE READY TO GET STARTED

The closer you follow the guidelines of the program, the more success you'll have. Microbiome health positively affects your brain function, weight, mood, immune system, and gastrointestinal tract. This occurs by protecting and supporting good microbes while eliminating the bad ones.

THE PURIFY KIT

The microbiome suffers due to toxic environments, nutrient-stripped foods, and a stressful, sedentary lifestyle. This suffering results in an unhealthy balance of good and bad bacteria, which ultimately impacts every system in the body.

The Purify Kit includes a supply of clinically formulated nutrition for the microbiome. Probiotics, vegetable proteins, and many other powerful ingredients combine to promote detoxification, cleansing, and balance. Use these carefully engineered supplements, and adhere to the dietary guidelines as you begin your journey to Elite Health.

*As with any nutritional product, please consult your physician before use, especially if pregnant, lactating, or have a known medical condition. This product is not intended to diagnose, treat, or prevent any disease.

BEFORE PURIFY

PURIFY DAYS 1-7

AFTER PURIFY

BREAKFAST

Biome Shake
2 scoops
Biome Actives
2 capsule

Biome Actives
2 capsule

MID-MORNING SNACK
